These are complicated applications for planning and listed building consent for the refurbishment of a B listed stonebuilt former farm steading, refurbishment and extension of a farm cottage to create a larger dwellinghouse and the construction of two new dwellinghouses. A detailed letter of objections to both applications have been submitted by the Dirleton Village Association. A copy of this is attached along with a copy of a letter from the community council supporting the objections.

Having studied the DVA's letter, the applications themselves and the documents lodged with the applications, and having familiarised ourselves with the site and its setting, we agree with the DVA's objections and ask you to take them into account in considering the applications.
